WAILES CLAIMPROVIDES FOR PAYMENT OF
\$163,373.79 AND INTEREST
FROM JULY 1, 1901

Tallahassee, April 27.—Following is the text of the bill introduced in the senate by Senator Bailey providing for the settlement of the Wailes claim:

A bill to be entitled an act to authorize the comptroller to draw his warrant in settlement of the indebtedness of the state of Florida to S. I. Wailes for services rendered and expenditures made in the adjustment and settlement of the Indian War claims, and to appropriate the necessary moneys to pay the same.

Whereas, On the first day of July, 1902, there was paid into the treasury of the state of Florida, by the United States, on account of Indian War claims, the sum of \$1,069,158.66, and

Whereas, Said payment was the result of a foundation laid therefor by the labors of, and expenditures made by S. I. Wailes, under a contract dated the 16th day of July, 1879, with Governor George F. Drew, under the seal of the state of Florida, which contract bound the state of Florida to pay to the said Wailes fifteen per cent on all sums received by the state of Florida, the said Wailes to bear all expenses, therefore,

Be it enacted by the Legislature of the State of Florida:

Section 1. That the comptroller of the state of Florida be and he is hereby authorized and directed to draw his warrant on the treasurer of the state of Florida, payable to the order of S. I. Wailes, or his assigns, for the sum of one hundred and sixty-three thousand three hundred and sixty-three dollars and seventy-nine cents (\$163,373.79), with interest at the rate of seven per cent from July 1, 1902, the date of said warrant, added thereto, in full settlement for all services rendered and expenditures made by the said S. I. Wailes, under the terms of said contract of July 16, 1879, in the adjustment of the Indian War claims of the state of Florida.

Sec. 2. That the sum of one hundred and ninety-eight thousand dollars, or so much thereof as may be necessary for the purpose, be and the same is hereby appropriated for the payment of the said warrant.

Sec. 3. That this act shall take effect immediately on its passage and approval by the governor, or on its becoming a law without his approval.

ALABAMA DANCE
AND SMOKERBLUEJACKETS HAD A GLORIOUS
TIME AFTER MINSTREL PER-
FORMANCE WEDNESDAY.

The bluejackets from the battleship Alabama held a dance and smoker at Utopia Hall on Wednesday night immediately following the excellent performance of the "Alabama Minstrels," which was attended by something over a hundred boys from the Alabama and a number of ladies and gentlemen from the city, who had been specially invited to honor the gathering with their presence, and all entered into the spirit of the occasion with a good will that left nothing to be desired. The bluejackets took turns dancing with the ladies, one of the latter a lady visitor from the west, being particularly gracious and energetic in her efforts to see that the boys in blue had a thoroughly good time.

The arrangements committee had procured an adequate supply of refreshments, and the sub-committee on drinkables saw to it that there was no drought in the vicinity of the hall, a large tub of claret punch and several kegs of Milwaukee "suds" being in evidence. Turkish cigarettes and cigars were also provided in unlimited quantity.

The affair passed off so quietly that but few people in the vicinity were aware that the jacks were having a "blow-out." This was probably due to the ladies, whose presence held down the lid of Jack's exuberance, and acted as a safety valve to his discretion in the consumption of potent beverages.

The boys of the Alabama are to be congratulated upon their gentlemanly conduct and generous hospitality. All who attended enjoyed the affair thoroughly and regretted when the hour for departure arrived.

Music for the occasion was furnished by Barrios' orchestra. Officer Neel, who is on that beat, "looked in" several times during the night but his official services were not needed.

TO UNION LABOR.

At a special meeting of the Central Trades Council, held this night, the following resolution was adopted:

"RESOLVED, THAT ALL MERCHANTS BE REQUESTED TO CLOSE THEIR STORES PROMPTLY AT 6 O'CLOCK P. M., AND ALL MEMBERS OF ORGANIZED LABOR UNIONS ARE REQUESTED TO IGNORE THOSE WHO FAIL TO COMPLY WITH THIS REQUEST."

"Z. W. ROBERTS, President.

NEWS NOTES OF
ST. ANDREWS

Special to The Journal.
St. Andrews, April 27.—Mr. S. A. Grier, of Howard, Ga., an old resident of this place, is down for a few days visiting his daughter, Mrs. Mat Davis, and family. We are glad to hear his jolly laugh again on our streets.

Truck wagons now seem more numerous than fish. The moonlight nights we have had for the past week are not favorable for good catches of fish.

Rev. Mr. Joiner preached an excellent sermon last Sunday morning at the Baptist church appropriate to Easter Sunday. The church was profusely decorated with many kinds of flowers. Mr. Joiner had a large and attentive congregation.

The steamer Tarpon arrived from Pensacola and Mobile last Friday night, looking mighty fine in her new coat of paint. She had the usual heavy freights for St. Andrews merchants. She arrived on her westward trip Sunday afternoon making good time.

The schooner Cleopatra sailed for Pensacola on Friday.

Mr. Hinton Gwaltney, one of our boys, and who has been for many months past on very efficient North Bay mail carrier, left on the "Cleopatra" last Friday for Pensacola. He expects to run a gasoline launch for which he is well qualified.

Mr. and Mrs. Coffman, of Chicago, who have spent the winter with us, left on the Tarpon Sunday. They have a pretty winter home here which they enjoy very much. We hope they will come early next fall.

Mrs. John Langley, daughter of Mr. John Stephens, died Monday after only a few hours illness. She leaves a husband and a three weeks old babe to mourn her loss.

W. F. Woodford, of Farmdale, was down Tuesday shaking hands with old friends.

L. M. Ware's wharf is being put in first-class condition.

We see Mr. Wilcox is cleaning up his ice cream parlor preparatory for the summer trade.
